Edison's faculty and administration, aware of the search by today's young people for moral and spiritual values by which to live, attempted to instill in their students a profound sense of responsibility, high aspirations, and a concern for mankind. To accomplish this, these dedicated individuals possessed sincerity, wisdom, and patience.

ADMINISTRATION

—PRINCIPAL

Mr. Cleveland Exemplifies Achievement At Edison

Exceptional administrative ability together with an understanding of the educational affairs of Oklahoma, has made Lewis D. Cleveland one of the most qualified and outstanding principals in the state. Mr. Cleveland achieved his position at Edison after less than ten years in the Tulsa Public School System.

Mr. Cleveland's busy days were occupied with administrative duties necessary to insure superior scholastic training for people who attend Edison. Membership in Phi Delta Kappa, an honorary educational fraternity, and the Oklahoma and National Education Association, supplemented his schedule with varied activities.

Through dedication and loyalty to Edison and its students, Mr. Cleveland gained respect and recognition from all who met him. This year, as he has been in the past, he was an Edisonite in the truest sense of the word.

Several senior students stop their principal for a short chat.

School business sometimes requires brief conferences with department heads.

Mr. Cleveland speaks to both faculty and students in one of his many assembly addresses.

Administrators Strive for Betterment of Education

Dr. Charles C. Mason, Superintendent of the Tulsa Public Schools, worked in cooperation with the seven members of the Board of Education. Keeping the curriculum of the schools up-to-date, establishing and carrying out school policies, and maintaining the common goals for which each school strives were some of the Board's many activities.

The past year has been one of continued progress in the Tulsa Public Schools. While in the midst of the most intensive building program in the history of the schools, Dr. Mason and the other members of the Board have, during this year, served the educational needs of a record number of boys and girls.

Preparation for the future has been a common goal of every Edison student. The counseling staff, an integral aid in this preparation, spent many busy days discussing students' problems and plans. Not only did the counselors provide excellent guidance through high school, but they also assisted in selecting a field of study best fitted to a student. Dedication was a major factor in every counselor's work and this together with an enthusiastic response to every pupil's needs has earned Edison's counseling staff deserved respect from the people it serves.

Student Communication Sought by Instructors

Superior instruction has been a vital part of the preparation of today's youths' future success. Edison's faculty has bestowed upon its students a dedication and loyalty which will guide them to this future success. Since there was such a wide variety of courses and subjects offered, many instructors were required to carry out the curriculum. This year, the staff, whose membership totaled 114, was among the largest and most qualified in the state, and, as it is with any large body of persons working together, frequent meetings were held to introduce upcoming activities and to discuss problems which arose in the school.

—FOREIGN LANGUAGE

Communicative Mediums Teach Foreign Customs

Haec schola suis discipulis facultatem studiendi curriculi de linguis peregrinis per sex annos professa est. Un étudiant approfondit sa connaissance de la langue par des bandes de magnétophone, des disques, et des films. Deutsch erwies sich als so faszinierend, dass es fuer ein zweites Jahr versucht wurde. Muchos alumnos todavia querian estudiar las idomas tradicionales como el latin, el francés y el español.

Edison offered to its students an opportunity to study as many as six courses of foreign languages. Through tape recordings, records, and films, a student became familiar with a languages characteristics. German still proved fascinating for it was continued for a second year. The three traditional languages, Latin, French, and Spanish were still popular choices of many students.

Nicknamed Lollipop, Mrs. Beatrice Notley adds zest to the supposedly dead Latin language.

Past Social Conditions Influence Present Trends

Harassed by many new concepts and burdened with the responsibilities of young adults, junior high and senior high students alike took refuge in their English classes, the sanctuaries of expression. Thoughts were guided from the Elizabethan Age and William Shakespeare to Russia, the land and birthplace of Tolstoy, then inevitably to the world of grammar. The Humanities class at Edison, the only one of its kind in Tulsa, displayed eagerness for an understanding of the arts and took advantage of many films, field trips, and recordings during this, its second year.

"If one doesn't know where he's been, how can he know where he's going." Coming closer to this concept this year than they've come in the past, Edison's history classes delved into the archives of yesterday and brought to light many new ideas and theories as to why mankind is at the stage of development it is today. Substituting visual-aide equipment for the traditional "blackboard", history teachers gave new life to and a better understanding of our heritage.

Aided by Mr. James Stafford's excellent guidance, Cathy Liddy places the final touches on a map of American discoveries.

Reading stories to her granddaughters, Dixie and Debra, occupies much of Mrs. Chloe Lane's out-of-school time.

Assisted by Gary Baldwin, Mrs. Helen Smith creates class interest through the use of a decorative bulletin board.

Examining a rock specimen, Mr. Robert Cope adjusts the microscope.

—SCIENCE, MATH

Technological Comprehension Challenges Advanced Classes

Calling upon advanced equipment and textbooks, the science teachers at Edison displayed eagerness to reveal to their students an increasingly technological and space-age world. Well-supervised and well-equipped rooms aided instructors in maintaining an excellent academic atmosphere in which students of the sciences worked and learned.

A field not often thought of as a branch of science is mathematics. Instructors helped students in the understanding of theories and in the comprehension of mathematical postulates. Membership in an extra-curricular math club, MU ALPHA THETA was available to those who understood numerical concepts exceptionally well. Spurred by an enthusiastic, well-qualified staff, each math student benefited from the best possible instruction.

Proof of a geometric postulate challenges Mrs. Marjorie Landry.

Creative Instructors Yield Skilled Craftsmen, Homemakers

Edison offered this year, as in the past, a wide variety of home economic courses. These courses included special training in clothing, foods, child care, consumer buying, and a wise use of money and time every homemaker needs to know. To display their efforts, students gave style shows, prepared entire meals and small teas.

While the jobs now available are less numerous and more technological than in previous years, the overwhelming demand for auto-mechanics, electricians, carpenters, and welders still beckons. At Edison a program to produce these skilled workers begins early. Junior high students may take woodwork and metalcraft. After reaching senior high, drafting, electronics, and power mechanics are presented.

Students in homemaking work as Mrs. Billye Glover inspects a zipper.

Explaining the operation of the Touch & Sew to Margie White takes a few minutes of Mrs. Frances Smith's busy schedule.

Woodworking is explained to Billy James Hargis by Mr. Charles Johnson.

Pursuit of Specialized Skills Spurs Participants

For the past two years, supplementary high school training offered at Tulsa's Vocational-Technical Center enabled many students to qualify for jobs requiring special skills. This instructional program was conducted by teachers who were qualified through their experiences in the occupations to which their courses pertained.

Concentrated courses in specialized fields were held in morning and afternoon sessions. Attending students spent the remainder of the day at respective schools earning other credits needed for graduation.

One of the five buildings comprising the Center was devoted entirely to auto and motor-mechanics, one to foods, and the other three to various classes of cosmetology, computer programming, fashion designing, and commercial art. Plans have been made for a new building which will house many additional classes. Last year's objective was maintained as the program taught occupational skills and related information which benefited persons seeking employment.

Pointing out a typographical error to Chuck Reed is one of Mrs. Mathel Young's duties as junior high typing teacher.

—ART, BUSINESS

Insight Into Humanities Motivates Creative Ideas

Zulu masks, clay pottery, etchings, and oil paintings adorned each art room even as the closing days ushered in a long summer vacation. But during this past, active year, every aspiring artist acquired techniques and skills needed to produce such artifacts. Students and teachers worked closely together in order to maintain a friendly atmosphere and a feeling of camaraderie while, at the same time, not losing sight of their objectives.

Shorthand, accounting, typing, and a study in the operation of business machines were courses offered as basic training for the person who is building toward a future commercial career. Edison's business education department, aware of this need for basic training, strove to fulfill its obligation to the many interested students.

Discussion with Carolyn Heller prompts Mrs. Sue Johnson to explain advanced techniques used in painting and composition.

Edison's advanced theory of youthful development and the student body's responsiveness to it led to a most successful year. School spirit reached a new high as students participated in the activities of Edison Week, class plays, Foreign Exchange programs, and sports events. Besides the enjoyment derived from their participation, students gained experience in working with others.

STUDENT LIFE

Record Number Of Edison Students Travel Abroad

This year Edison had a record number of students who went abroad. Three different programs, Experiment in International Living, Adventures in French, and International Student Placement provided Edison pupils with an opportunity to travel.

The Foreign Exchange sponsor this year was Miss Anne Williams. Carl Sears was the Student Council Foreign Exchange Chairman and organized the money-making candy sale.

Sweden was the host country for Mark Davis and Joe Oates. Ann McCune and Barbara Reed were sent to Germany, while Claudia Jones went to France. Debbie Ross spent her summer in Japan and Ann Heller spent hers in Mexico. Julie Andelman and Barbara Rips went to Switzerland while Joan Ahrens, Lee Shapiro and Mark Humphrey lived in England.

Fun Loving Norwegian Enjoys Life In Tulsa

Fun loving Sidsel Pettersen, a vivacious Norwegian blonde, was welcomed by Edison as the school year began. Rhonda Thornton and her family picked Sidsel up in Oslo, Norway last summer for sightseeing in Europe before returning to Tulsa. Sidsel was active in sports at Edison although she missed the ski slopes of her homeland. She became an integral part of Edison through her active participation in Student Council, Senior Board and in such special projects as the annual Edison Week Gridiron show.

Hans Mueller, from Schaffhausen, Switzerland, came to the United States with the American Field Service Program. Jon Ledlie and his family were chosen to host Hans for the year. Hans adapted quickly to the atmosphere of life in Tulsa. He was an outstanding student and worked faithfully on many Edison projects. He was honored during Edison Week by being chosen "Most Polite" student at Edison.

Student Participation In A Myriad Of Activities

Edison Week, February 7-11, recognizes Edison's tradition of excellence and honors the school's namesake. Mark Singer, Edison Week Chairman, with Day Chairmen Jeanne Heller, Marilyn Miller, Shelley Floyd, Jerry Bob Lee, and Donna Sanders planned and effected the activities of their respective days. On Monday, School Spirit Day, a spirited pep rally culminated in the breath-taking release of hundreds of green and white balloons. On Tuesday, Teacher Appreciation Day, apples were sent to the teachers with invitations to a tea given in their honor. Wednesday morning the annual Brotherhood Breakfast was held and after school, a bowling tournament provided competition for fifty homeroom teams. NHS members were recognized on Thursday, Scholarship Day. Friday, Superlative and Thomas Edison Day, featured the Superlative Assembly and a Valentine Mixer where a midnight celebration of Thomas Edison's birthday was held.

TORCH Editor, Sponsor Direct Staff Activities

Updated in every way, the colorful **Torch** of 1967 featured a new style of print and a new section devoted to music. Larger copy and an entirely fresh format also contributed to the success of the book. Barbara Romero, as editor, provided outstanding leadership in directing the activities of the staff. Mrs. June Richey, new yearbook sponsor, gave time and effort in order to achieve the satisfying result of a superior yearbook. Significant editorial content and lucid copy were the main objectives of the staff. Focus of the book on a larger portion of the student body was also an important goal. An atmosphere of unity and cooperation pervaded the staff as it designed and compiled the **Torch**. Staff activities and spirit went beyond the classroom, evidenced by the many deadline and holiday parties given by various members.

Journalists Continue THOMAS TIMES Tradition

Headed by talented editor Rick Hensley, the Journalism Staff completed another outstanding year. The staff wrote excellent articles for the **Tulsa School Life**, and in addition published Edison's own paper, **The Thomas Times**. Co-editor Genevieve Cowan and two junior co-editors, Nancy Adkison and Sandra Steele, assisted Rick in compiling the papers. Other officers of the staff were Vicki Phillips, Editorial Editor; Mark Davis, Copy Editor; Bob Lyon and Steve Owen, Sports Editors; Janet Crawford, Feature Editor; Nancy Bennett, Publicity Chairman; and Bill Southard, Staff Co-ordinator. Mrs. Richey, the new journalism sponsor, concentrated on improving journalism technique and content of articles. The staff displayed a new spirit of endeavor in writing a tremendous volume of quality articles.

Pride and curiosity are reflected in the eyes of Rick Hensley and Genevieve Cowan.

Finalizing copy for the second edition of **The Thomas Times** are Nancy Adkison, Bill Southard, Steve Owen, Genevieve Cowan, Rick Hensley, Mark Davis, Caren Cates, Janet Crawford, and Nancy Bennett.

"Spirited Eight" Incite Enthusiasm For Athletics

The 1966-1967 cheerleading squad was composed of two seniors, three juniors and three sophomores. These girls worked long hours in the summer preparing for the clinic at Oklahoma University in October. As a result of their diligent practice, the Edison cheerleaders took first place.

Working every day after school was a routine matter for the peppy cheerleaders. The green and white uniforms of these enthusiastic girls were seen at every athletic event of the year. Besides attending these activities, the cheerleaders displayed their Edison spirit at the all-school pep rallies and the Pep club meetings.

Jumping for joy, Edison spirit leaders urge their team on to victory.

Edison's instrumental and vocal groups continued to uphold their high standards of excellence through many hours of diligent practice and the superb instruction of the various music directors. Both musicians and listeners benefited from the groups' active participation in assemblies, contests, and school activities.

MUSIC

37

Edison's Vocalists Sing To The Tune Of High Acclaim

Animation and vitality were characteristic of the vocal music department at Edison. Outstanding leadership and ability combined to attain the highest caliber of choral excellence. Appreciation for all types of music was gained by delving into the Renaissance, Baroque, and Contemporary periods. The unparalleled Concert Chorus maintained their previous popularity through many prestigious engagements. Climaxing the successful year was a trip to St. Louis where they performed for the Music Teachers National Convention. Senior High Girls' Glee Club, Mixed Chorus, and Concert Chorus merged to create a more forceful and effective presentation at the Spring Music Festival. In addition to their participation in assemblies, the Junior High vocal groups entertained for various civic organizations.

Musicians And Directors

"Strike Up The Band"

Mastering the art of instrumental music was a challenge for Edison students. Only through superior instruction and a desire to excel could the highest degree of musical supremacy be attained. An integral part of Edison's football season, the Marching Band proved vital in generating spirit and enthusiasm. Esteem and pride were earned when the band won first division rating in the State Marching Contest. Symphonic Band and Concert Orchestra's assemblies and concerts were sparked by distinctive arrangements of modern and classical music. The Stage Band, often compared to a college band, had the opportunity to prove this when the Drury Stage Band joined them in concert. All of Edison's instrumental groups typified what may be called the "Edison Sound."

Edison's student organizations representing many fields of interest met regularly throughout the school year. The sponsors, officers, committees, and members worked together to plan and carry out the business of each club. Membership drives, charity projects, guest speakers, banquets, picnics, field trips, and money making projects kept everyone busy. Students belonging to such organizations found that in addition to learning more about their field of interest, they also met other students sharing their interests.

ORGANIZATIONS

Enthusiastic Students Collect 28,899 Cans

The Edison Student Council has been extremely busy throughout the year providing activities and functions for the student body.

In September, the student council printed and sold the programs for the all-city football game, and held a mixer in the fieldhouse afterwards. The **Edison Calling** was sold during Howdy Week early in September. October was dominated by the Foreign Exchange Candy Sale. November brought a joint effort of the student body; over 28,700 cans of food were collected and donated to the Salvation Army. Also in November, H.A.Y. Day, or Honor American Youth Day was initiated. In a morning assembly, student council was honored to have for its speaker, Bill Suttle, United States Jaycees President. In December a wonderful Christmas was provided for needy Indians at Jay, Oklahoma. Council also sponsored a Christmas Post Office with proceeds going to the Tuberculosis Fund.

Council Boosts Proven Activities With Vigor

Teacher Appreciation Day, Brotherhood Breakfast, and Scholarship Letters represented three of the major activities of the Junior High Student Council. In addition they published the **Edison Calling** and **Guiding Light**. As their money making project, they sponsored two movies—**Charade** and **Shenandoah**. During the Christmas and Valentine seasons the Council encouraged school spirit by participating in the New Student Mixer, and various other Council sponsored activities.

Boys Discover Place In Serving School

Organized by the Kiwanis Club to help the school and community, the K-Club was led by outstanding ninth grade boys. In recognition of exceptional musical talent, the K-Club awarded scholarships for private instruction to two junior high students. They also sold tickets to the annual Kiwanis Club pancake breakfast in association with the senior high Key Club. This organization helped train its members to accept the responsibility of leadership in future school activities.

Good Citizenship, Personal Integrity Are Clubs' Goals

Honor Commission was established to promote honesty in and out of classes and to instill a greater feeling of personal integrity within students. Members are chosen each spring. They challenged the students through speeches, provided posters for the school, ushered at "Back-to-School" night, and assisted with decorations and concessions at the ninth-grade dance. An Honor Commission Assembly was held in January. The members encouraged the student body to be prepared to accept the exacting responsibilities of good citizenship which is the goal of Edison.

Through the Junior High Red Cross, students began to realize the needs of the people around them and throughout the world. This organization gave students an opportunity to develop leadership while sharing their prosperity with others.

The Junior High Advertising Board was responsible for managing the ticket sales for all junior high productions, as well as budget ticket and yearbook sales.

New Sponsor, Officers Initiate Many Projects

Under the sponsorship of Miss Donna McElroy, leadership of officers, and willingness of members to participate, Red Cross enacted new and traditional programs. Many of the traditional programs were revised, which added new interest to them. These new approaches came about because of the new exchange program in which Edison participated.

During the Friendship box drive in February and March, Edison and Memorial challenged Rogers and McClain which increased the number of boxes turned in by those schools. The highlight of the year was the Spring Conference, at Webster, in April, which closed a very busy and worthwhile year for Edison's Red Cross.

Members Promote Sale Of School Life And Yearbooks

Vital to every school function, the Advertising Board maintained its reputation for keeping the student body abreast of all school events. Under the capable leadership of Tom Wilson, the Advertising Board supervised the distribution of *SCHOOL LIFE* and *THOMAS TIMES*. Their aid in the sale of budget tickets and individual picture packets proved valuable to the yearbook staff. Instituted last year, the showcase calendar was again a prominent feature. Success was enjoyed by the Advertising Board this year as they continued their pattern of informing, selling, and publicizing.

40 Senior Girls Chosen To Serve As Usherettes

Thirty junior girls were voted upon and initiated in the spring of '66 to serve their senior year as Usherettes. Officers were elected and summer projects discussed. These active hard-working girls gave their time willingly to usher at graduation exercises, Tulsa Little Theatre, class plays, and musical concerts. They also worked at St. Simeons Nursing Home and on Project Headstart. In the fall under the guidance of their new sponsor, Miss Charlene Clark, ten new members were chosen bringing the club's total to forty senior girls. A rummage sale and party with Key Club highlighted the Christmas season.

—KEY CLUB

Edison Club Assists Community And School

Edison Key Club, under the sponsorship of the Utica Square Kiwanis Club, is a service organization of outstanding young men who devote much time to projects which benefit their school and community. Through its work, it teaches the young man integrity and other qualities necessary for sound character development. This year, Key Club held its annual Radio Day, ushered at athletic events, and served the school in various other ways. At a Valentine Party given in her honor, Sandy Winters was crowned Key Club Sweetheart.

Substituting as disc jockeys Jim Taylor and Dan Dumas enjoy participating in Radio Day at KRMG.

—TALON

Continuous Support For Athletes Mark Talons

Meetings, athletic events, and pep rallies kept Talon's members busy through the year. These girls, seen at all sporting events in their green and white uniforms, gave athletes that extra spark of energy that led them on to victory.

At meetings the boys participating in an upcoming sport were honored. Through the sale of spirit ribbons, pompoms, and car stickers, Talons earned money to provide favors for the athletes.

Because of their continuous support of the Eagles, Talons played an important role in all sporting events.

—LETTERMEN'S CLUB

Sportsmen Of Ability Receive Recognition

Joined together through the bond of athletic ability, outstanding athletes were honored with membership in the Lettermen's Club. The participants in each sport elected an "Athlete of the Month." At the banquet in May the most significant award was given to "Athlete of the Year." The Lettermen published the "Action" and sold popcorn at sports events. This enabled them to make money to plant trees and shrubs outside the fieldhouse.

New Club Attracts Interested Girls

Gymnastics, Edison's newest club, under the direction of Mrs. Laurann Rogers, offered to its members instruction in the perfection of physical technique, grace, and poise. Many members chose to increase their agility and flexibility through participating in a combination of dance movements and tumbling. Others accepted the challenge presented to them by the Balance Beam, Uneven Parallel Bars, and vaulting. Each girl found she could obtain strength, flexibility, balance, endurance, and coordination through vigorous exercise and practice.

—SWIMETTES

"Just In Time" Motif Of This Year's Water Show

Swimettes, under the sponsorship of Miss Pat Houston, showed their grace, poise, and skill in synchronized swimming as they put on a delightful performance in their annual show. This year the motif of the show was "Just In Time."

To become a member of Swimettes, a girl must pass skill on the basic stunts. Try-outs are held in the spring after the show which is usually presented in early March.

Ski Trip To Colorado —HI-Y Highlights Busy Year

Stressing the responsibility of today's citizens, Hi-Y's activities centered around the Youth and Government program. In March Edison's group traveled to Oklahoma City to meet with other Hi-Y and Tri-Y members from across the state. At this meeting a legislature was organized along state lines, bills were proposed, discussed, and voted upon. Each law that was passed was then sent to every state senator and congressman. Freshman Girls Serve School And Community

Desire to serve and dedication to school were the distinctive qualities of this year's Aquillas. Having served Edison for the past eight years, Aquillas is an organization of outstanding ninth-grade girls selected to represent their school. Under the direction of Mrs. Zoe White, they assisted in the counselors' offices, library and infirmary of Edison Junior High School. They also aided teachers who requested their help. All members were again responsible for ushering at plays, concerts, and other school events. The girls also served as guides on Back to School Night.

Dramatic Arts Advanced By Members Of Troupe 14

Advancement of dramatic arts in the secondary schools spurred Edison Thespians on to another productive, profitable year. Additional funds for the troupe treasury were acquired through money-making projects. Candied apples, a favorite with the student body were sold in order to purchase trophies honoring excellent dramatic achievements. Having completed the one-hundred production hours needed to enter the organization, each member of Troupe 14 worked vigorously toward accomplishing the aims of the society.

Future Teachers Gain Practical Experience

Promoting enthusiasm for their club the members of Future Teachers of America planned several field trips throughout the year. The members attended two conferences during the year. The first was in the fall at Shawnee, and the second in May at Stillwater. The third annual project gave students an opportunity to observe teachers in junior high and elementary schools for one day. The students were able to aid the teachers by grading papers and helping with demonstrations. This experience allowed these students to realize the responsibility education has in our growing society.

Prominent Physicians Address Medical Club

Medicine and its related fields was the primary concern of Medical Club this year. It provided students considering a career in medicine with information and opportunities to observe the duties of people in the medical profession. In the fall the group chartered a bus and attended Medical Careers Rally Day in Oklahoma City. Special tours of medical facilities throughout the state provided stimulation for the group. As a Christmas project, the members filled stockings and collected gifts for the children at Hissom Memorial Center. French Christmas Play Highlights Activities

Learning to live a language was the goal of French Club this year. The annual French Club breakfast in November and a picnic in the spring provided the members with an opportunity to speak French in everyday situations. Christmas was celebrated with a play, presented in French, which depicted Christ's birth. During the year interesting speakers gave their impressions of France and its people. This club enabled Edison students to form a liaison between French and American cultures.

—SEPTEMBER

SC Officers Elected Boy And Girl For September

Mary Lou Mungen, who worked diligently for Edison, was elected as Girl of the Month for September. During her sophomore year, Mary Lou participated in the sophomore play and worked in Student Council. As a junior she served as social chairman of Student Council, chairman of Teacher Appreciation Day, and **Eyrie** art editor. She received the superlative award of "Best Worker" and was elected delegate to Girl's State. In addition, she was initiated into National Honor Society and Usherettes. As a senior, Mary Lou was active in Student Council, serving as its treasurer.

Bill Strong gained recognition as Boy of the Month for September. During his junior year he served as class vice-president, and was also nominated as "Most Deserving" junior boy. Serving as chairman of the canned goods drive and co-chairman of Edison Week, Bill proved to be an asset to Edison while a junior. As a delegate to Boy's State, Bill represented his school well. An active swimmer, Key Club member, and an Honor Roll student, Bill displayed enthusiasm for all school endeavors. As this year's Student Council president, Bill completed his service faithfully as a school leader.

Back Of The Year, Class Treasurer Share Honors

Sandy Winters was chosen as Girl of the Month for October. While a sophomore, she served as class treasurer, took part in Sophomore Board activities and was nominated as "Most Likely to Succeed." In her junior year she participated in Junior Board and Student Council. Appointed as an Edison Week Day Chairman she organized the Brotherhood breakfast. Sandy was an attendant to Miss Edison for three years and an attendant to the swimming queen in her junior year. During her senior year, she was treasurer of the class and member-at-large to Student Council. Sandy was, as well, an enthusiastic member of Pep Club, Usherettes, and National Honor Society.

Bob Nichols, an energetic supporter of Edison, was selected as Boy of the Month for October. Participating in football as well as basketball he was the nominee for "Most School Spirited" during his junior year. As a senior, Bobby was a tri-captain of the football team and received recognition as Player of the Year. He was also an active member of Lettermen's Club and Key Club treasurer. An Honor Roll student, Bobby was accepted to Senior Board as member-at-large.

—NOVEMBER

Endless Service Trains Leaders For Tomorrow

Diana Donkin, reigning as Miss Edison X, was chosen as November's Girl of the Month. As a sophomore she served the class as its vice-president and began her three year career as cheerleader. Junior attendant to Miss Edison and to the wrestling queen, heading Superlative Day, and being a junior nominee for "Most School-Spirited", evidence a diversity of honors received during her junior year. Qualifying for National Honor Society through her scholastic achievement, leading the cheerleaders as captain, and membership in Student Council and Usherettes accent Diana's sparkling personality.

Jim Taylor has served the senior class as president. He, as Boy of the Month for November, has been efficient in each endeavor. As a sophomore he was selected as Key Club Boy of the Year and as a senior he was vice-president of the club. Nominated in his junior year for "Best Worker", he was co-chairman of Edison Week and was publication's chairman of Student Council. Jim's character reflects a desire to succeed and thus he was chosen to attend Boy's State. In his senior year he remained active in Student Council and National Honor Society. Jim was awarded the Bausch and Lomb Science Medal.

Holiday Bells Ring For School-Spirited Elite

Rosemary Bumpass was December's Girl of the Month. As a sophomore she performed in **Winnie the Pooh** and served on Sophomore Board. Membership in National Honor Society and the office of class social chairman came to her as a junior. During her senior year she worked for Student Council, Senior Board, and Usherettes. Acting in the junior and senior class plays, serving as Thespian president and Pep Club president, show her school spirit. This year Rosemary was given the Daughters of American Revolution award for good citizenship.

Carl Sears, having evidenced leadership qualities, was chosen Boy of the Month for December. During his sophomore year he was active in Student Council, Sophomore Board, and Latin Club. As a junior he became a member of Lettermen's Club and was on the varsity team in tennis. While an active member of Junior Board, Carl as co-chairman of the junior class play, stimulated enthusiasm among his classmates to promote advertising for **The Diary of Anne Frank**. In his senior year he was Student Council Foreign Exchange Committee chairman and an Inter-City Student Council representative and a member of Key Club.

—JANUARY

Deep Loyalty To Edison Is Embodied By Pair

Mary Kay Haden was elected Girl of the Month for January. As a sophomore she joined Pep Club and was a representative to Student Council. In her junior year she held the class office of secretary, was member-at-large to Student Council, and was a member of Junior Board. The office of president of Usherettes came to her as a senior. She also was elections chairman for Student Council besides being Senior Board member-at-large. Her scholastic achievement offered her membership in National Honor Society. On Superlative Day Mary Kay received "Most Deserving" for her devotion to Edison.

Mark Davis, Student Council vice-president received Boy of the Month for January. He was active as member-at-large to Sophomore Board and participated on the tennis team. Mark, an honor roll student, has traveled to Sweden as a foreign exchange student on the Experiment in International Living. He was on the journalism staff and was copy editor of **School Life** as a senior. He became a member of Key Club and served on the **Eyrie Steering** committee. He also found time to serve as chairman of the grid-iron.

Talented Personalities Receive February Honors

Melissa Potter, excelling in all school activities, received tribute as Girl of the Month for February. Supporting her class, she served as sophomore class secretary and was a cast member of the sophomore play. Active in Student Council, Melissa was Inter-City representative during her junior year. Appointed as student director of the junior play, she spent many hours helping make the play a success. While a junior, she was, as well, an Edison Week day chairman. Her senior year was filled with Student Council endeavors, as she was elected its secretary. Gridiron co-chairman, Thespian, and Usherette, Melissa contributed willingly to all functions as an Edisonite.

Keith Roller was honored as February's Boy of the Month. In his sophomore year he participated in Sophomore Board and was voted "Most Likely to Succeed" by fellow students. Keith was elected president of his class while a junior. Twice a member of the football and baseball teams, he displayed athletic ability. This year he demonstrated his leadership while serving as Inter-City Student Council president. Keith's senior year included work in Key Club and he received the title of Senior Board member-at-large.

Edison's athletes striving to uphold and further the school's standards of excellence spent many hours before and after school working out, dieting, practicing, and performing. The enthusiastic backing of the student body encouraged the boys to attain even greater honors. Breaking previous records, the boys gave much of the credit to their coaches who had given them the knowledge and skills essential to win.

ATHLETICS

Eagle Footballers Take Okla-7 Conference Title

Surpassing all expectation, the 1966 football Eagles captured their first undisputed Oklahoma Seven Conference crown. Under the leadership of Tulsa's Coach of the Year, Richard Chapman, Edison rolled up an impressive 8-1 regular season mark, and for the first time in school history the Eagles won the right to play in the State Regionals, meeting the McLain Scots.

Led by six all-conference team members, Eagle defensemen held the league's best record. Allowing an average of only six points per game opponents were hard pressed to get on the scoreboard. Offensively, the Eagles were sparked by the power running of All-State Player of the Year, Bobby Nichols, and the clutch passing of quarterback Chuck Hunt to All-State end, Billy Goble.

Undoubtedly, the high point of the season came in the game with number one ranked Rogers. Behind 7-6 with ten seconds left in the game, Hunt hit Goble with a pass in the end zone to pull out a surprising 12-7 victory.

Edison went on to finish undefeated in conference play and to earn a number three statewide ranking.

Halfback Kriss Woodbury is dropped after a long punt return.

Eagle Harriers Run For A Highly Successful Season

Conquering their opponent in every dual meet they entered, placing first in every invitational tournament, winning their first undisputed Oklahoma Seven Conference championship crown, and taking a second in the state meet, the 1966 Edison Cross Country team had the best season in the history of the school. After a season of building in 1965, the harriers were paced by co-captains Steve Quinn and Steve Goad and returning lettermen Bruce Martin and Larry O'Reilly. A fantastic record was attained through determination and drive.

Both Steve Quinn and Steve Goad received all-conference honors, and Quinn placed fourth in the state meet. Others contributing to the success were John Musgrove, Gary Pickens, and Jim Bachman. The distance men owed their excellent season to the expert coaching of Hugh Pierce.

Starting the final lap, Steve Quinn begins widening his lead.

Individual Talent Highlights Season

Edison's still improving basketball fortunes continued this year under new Head Coach Larry Rentfro. The highly touted roundballers, the Oklahoma Seven Conference coaches preseason favorite, began the season by winning the Consolation Championship in the Hale Tournament.

Though the team did not win conference this year, spirited comebacks characterized several games. Cause for much of the excitement was record setting Roger Gray who highlighted a one point victory by scoring a conference record of 41 points. Roger also set a new school season high of 374 points.

Next in line of scoring were ball-hawking senior Mike Eilers and the Eagle's leading rebounder Bill Caldwell, each having a ten point average. This great individual ability united to form an excellent squad.

Breaking through the Central guards, Roger Gray scores two points.

Eagle Matmen Finish High In Okla-7 Race

Grappling their way through a tough schedule, Edison wrestlers remained in contention for the Oklahoma Seven crown all season. Anchored by captains Mike Valant, Elden, and Mike Coulson, the Eagles faced many formidable opponents. Matches with Central, Muskogee and Memorial proved not only exciting but victorious for the Edison wrestlers. After a heartbreaking 14-17 loss to conference champion Hale, the Eagles gathered their forces to finish a highly successful year. The team was bolstered by two Tulsa World Wrestler of the Week Award Winners, Danny Murphree and Elden Hoffman. Coach Jim Sellers, athletic director at Edison and former president of the Oklahoma Association of Wrestling Coaches, inspired his team to achieve a better than predicted record.

Eagle Swimmers Take All-City First Place

Eagle mermen were led to an impressive 6-3 record this season by Coach Tom Langham. High point of the season came when Edison edged out Memorial for first place in this year's All-City meet. One of the highlights of the meet was the breaking of a meet record by the 400-yard freestyle relay team consisting of Larry Johnson, Steve Goad, Bill Strong, and Roger Mason.

In the Oklahoma Seven Conference race Edison placed second behind state champion Bartlesville. Eagle conference action was marked by walk away victories over Rogers, Central and Hale.

This year's state meet saw Edison finish a strong third, two points behind second place Memorial, to climax a most successful season.

Track Team Prepares For A Rigorous Season

Compelled by a desire to reach the ultimate goal, the state championship, the '67 tracksters worked diligently in order to realize the great potential of the squad. Ably led by Head Coach Hugh Pierce, the returning lettermen, supported by other able athletes, spent many extra hours in preparation for the meets and tournaments of the season.

Runners, pole vaulters, jumpers, and shot putters mirrored the high style of the cross country squad, and strove for perfection.

COACH HUGH PIERCE

Intense concentration is necessary for Pete Dratz to make a successful vault.

Practicing perfect form, Grant Young and Jim Shackleford clear the first line of hurdles.

Baseball Led By Returning Lettermen

Edison fielded an experienced baseball squad this season in their attempt to win the northern division of the Oklahoma Seven Conference. Dick Fleming, a two-year letter winner, gave another strong performance behind the plate. Seniors Preston Hale at first base, David Hoppes at third base, and Ken Shoemaker in the outfield, joined junior Joe Fleming as the other returning starter. Keith Roller, Jim Moye, and Dave Belford lead the all-important pitching staff.

After losing only to Central in the northern division last year, Edison remained a strong contender for the title this year. The team's strong points of speed and hitting were two big reasons for its success.

Eagle Golfers Complete Success Filled Season

Again this year the golf squad achieved great success. The Eagles defended their Oklahoma Seven Conference and state champions and participated in a rigorous schedule of inter-school competition.

The team returned seven senior lettermen, led by member's of last year's state champions Vic Benson, Ladd Larson, and Jay Friedman. Other seniors who improved and greatly assisted these three were John Bouteller, Ross Ikemire, Gary Rosenthal, and Jack Steinmeyer. Prospective juniors Roger Booth, Pat May, and Ken Fowler improved quickly and are expected to comprise the nucleus of next year's team.

Bolstering this year's team are last year's state qualifiers, Lad Larson, Vic Benson, and Jay Friedman.

Edison Netmen Strive To Perfect Techniques

Defending their all-city championship title, the Eagle netmen negotiated another stellar season. The tennis team worked hard to perfect their already proficient techniques.

Sparked by returning senior lettermen Carl Sears and Larry Simmons and junior letterman Bill Martin, the team compiled an impressive record in their demanding schedule of matches. The excellence of this year's team was magnified by the fact that only a few were lost at graduation, leaving a core of veterans to return next year.

During practice, Carl Sears and Bill Martin work to perfect their services.

Tennis Team, ROW 1: Lloyd Fadem, Craig Lubin, Larry Simmons, Carl Sears, Bill Martin, Mark Davis, Jim Elmore, Rob Searcy, Bruce Fadem; ROW 2: Coach Ray Nunneley, Mike Matters, Jeff Kowalski, Matt Hull, Houston Jameson, Forrest John Paul, Tom Atkinson, Gordon Hall, Raymond Gardner, Todd Henshaw, Forrest Craig.

Edison's 3000 plus students in grades 7 through 12 differed in religion, race, appearance, and personality although they had in common a sense of loyalty and pride in their school, their faculty, and their fellow students. Enthusiasm ran high as everyone thronged to athletic events, mixers, plays, concerts, organization meetings, homeroom parties, and, of course, classes.

Senior Year Provides Staircase to Opportunity

Inflamed with enthusiasm, the seniors began the year with a class picnic at LaFortune Park highlighted by a car decorating contest. Spirit ran high as the class prepared for the all-important football game with Memorial. Spurred on by the upset victory over Rogers, the seniors collected a record-breaking total of cans in the Student Council Canned Goods Drive. The Senior Class Play, "The Curious Savage," united the class as rousing ticket sales boosted the class treasury. The Christmas Dance, "Candlelight Ball," scored a smashing success, and the Prom was elegant. Achieving a maturity of attitude and spirit unprecedented in its excellence and depth of conviction, seniors strove to reach the top of the "staircase to opportunity."

—JUNIORS

Inspired Junior Effort Sparks Class Unity

Stimulated by high aspirations, the class of '68 was unified by able leadership. Enthusiastic response to the initial projects: the Junior Forum, foreign exchange reception, and Junior Breakfast contributed to an ever increasing sense of school spirit. Western dress, a chuck wagon lunch, and a square dance combined to revive the frontier era on Junior Day. Incorporating last year's endeavors, junior boys continued the landscaping project with the planting of additional shrubbery.

Having fulfilled the aspirations of the present and anticipating the prospects of the future, Junior feeling was best expressed in this quote by Longfellow—"Look not mournfully into the Past . . . Wisely improve the Present . . . Go forth to meet the shadowy Future without fear and with a manly heart."

Officers Lead Class To New Aspects Of Life

Entering high school, the sophomores found a different concept of behavior and learning. Through the leadership of their officers, sophomores strived to develop mature behavior; and attained a healthy concept of life.

Activities, such as an ice cream social in May, their play "The Lute Song" in Feb., and the sale of Edison license tags in Dec., planned by officers, gave everyone a chance to play an active roll in their class. Participation in these activities enabled them to assume the responsibilities of high school and college students, and finally those of citizens of America.

—FRESHMEN

Ninth Graders Achieve New Heights In Learning

Academic excellence and growth of the individual person were the goals of Edison's ninth graders this year. Sensing the quick approach of their high school years, the Class of '70 became increasingly aware of the importance of a good educational background. Many frustrating hours were spent trying to develop more efficient study habits. Participation in extra-curricular groups, such as K-Club, Honor Society, and Aquillas helped make Edison's freshmen well-rounded persons. To help gain social poise, the ninth graders co-sponsored the annual Valentine's dance. A class play assisted in the promotion of class unity and spirit. As they attempted to grow in mental, spiritual, and physical areas, preparedness became the byword of the Class of 1970.

—EIGHTH GRADE

Four Girls, New Sponsor Direct Class Activities

Sparked with enthusiasm, eighth graders set out to make a year of opportunities profitable. Aided by their new sponsor, Mr. Neil Barker, the eighth grade class achieved success in their combined valentine dance with the ninth grade. Remembering how hard it was for them as seventh graders, the eighth grade strived to help their underclassmen in becoming accustomed to Edison traditions and procedures. This year of unusual experiences will always be cherished by those who were involved.

—SEVENTH GRADE

Board Members Lead Class Through Successful Year

Seventh graders this year elected a board consisting of the presidents of each homeroom to guide them in their first year of junior high. This is the second year the board has been in existence. This method allowed a greater number of students to participate in student government. Steve Wilner, the chairman of the board, worked closely with Mrs. Zoe White, seventh grade sponsor, in planning the year's activities.

The members of the board were: Mindy Anderson, Jennie Berry, Chris Covington, Terry King, Phil Merry, Kathy Newman, Scott Pope, Cindy Putnam, Marcia Reynolds, Bill Welch, Richard Willbanks, Craig Williams, and Steve Wilner.

is the embodiment of each individual
associated with it—not merely bricks
and mortar, but the many unique ele-
ments of each personality combined.

For what is a school but the people?

It has been
a lot of fun
knowing you. I
hope you are
in some of my
classes next year.
Good Luck
Pam Barrett

Helen - I sure have
had fun in your
History class.
Good luck next
year in the
Sr. High!
See ya!
Fatti Hyder
(the great)
Enjoyed being
in classes with
you! Have a nice
summer, a nice
sophomore! ~~See ya~~
(upha) Hope you'll
do alright with out
me next yr.
See ya,
Morley

It has been fun
having you in 1st hour.
I hope I get to see
you this summer. You are
very, nice, sweet, and so
see ya
Debbie Roach

To a very sweet girl. It
has been nice knowing
you. Hope to see you
next year.

Good Luck,
Colleen Osander

To a nice girl
see you next year
Gary Ruggles

Have a nice summer
Rodney Slagle

Hi Helen I
Don't you just love people who write
upside down?? I had a too bad. Well
anyway! it's really been a year in
English (when Hope wasn't here at least). You're
a real sweet girl & you'll go far in life.
Christie Blum

Helen
 it's a very sweet girl
 stay that way
 I love you,
 Cathy's daddy

Helen,
 I've really
 enjoyed being
 in your class.
 Hope to see
 you next year.

Love ya,
 Maureen

- Helen -
 It has been fun
 in English with
 you this year. Stay
 as sweet as you are.

Good Luck
 PS See you
 next year Karen Ruhr

Helen - I've been
 great fan over the
 past few years and
 I hope it will continue.

Tom Johnson

I Helen,
 I think you can
 handle it
 O.K.

Dear Helen,
 It's been fun?
 surviving this year.

David.

Dear Helen,
 I sure have enjoyed
 being in your class.
 (At least some of them)
 Stay as sweet as
 you are.
 LOVE YA,
 DEBBIE
 WIGGINS

Helen - too bad we won't
 get to laugh at winning
 next yr.
 I Helen

Helen:
 too real
 sweet, cute,
 girl that I
 hope to see next
 year.

Helen,

Susan!

It has been a good year this
 66-67 and I hope the following
 years will be just as good for
 you.

Brian Jackson.

Hey Helen,
 when are you going to
 marry one of The Apes or
 Monkeys or whatever
 will have fun.

Emi

Dear Helen
 You have been a good
 kid all year + making
 good grades, so keep up
 the good work. See
 you next year

Helen -
This high
club has really
been fun. You'll
have to start
coming to church
more (I should
be talking) have a
gas this summer
and I'll see
ya! round, see

You've been
real sweet
in gym.
Good luck.

Helen,
you're a good
friend. I wish there
were more people as
sweet as you. I hope
you have a wonderful
summer. See you next fall.

Kitty Spencer

Helen, over a year
that's a long time!
Sweetest, I hope to see
you again. Cause I'll be
back in the fall. Hope to see
you next year. Love,
Dad. 6/6/67

Helen,
It's been a gas being
in Orchestra with
you. Have fun
this summer.
Good Luck.

Dear Helen,
you've been one of
my best friends
ever since I've known
you + that's been um -
three years and you're really
sweet. I hope we can get
together sometime since
our sisters know each other.
I know I'll miss you and
don't worry! I'll probably in 10th
grade I'll take orchestra. Don't
be surprised if I call you.
Have a groovy summer
and a blast next year. (I probably
won't see you for you dating some
boy!) Good luck in the future!
Love,
Linda
